

Mandy

Mandys brother, Ned is in trouble. He has been accused of murdering the woman who had been clearly trying to seduce him. Their guardian, the Duke of Margate is summoned to help. Mandy had always assumed he was an old man. But, the duke was far from old. He was, in fact, virile, dashing and oh so good looking. The duke enjoyed being a confirmed bachelor and then he met Mandy. But, first things first they had to prove Ned innocent.
