Once she secures a spot in Alpha Chi, shell have the greatest freshman year on record. But it just takes one look at the Alpha Chi hit list of things she needs to do to get in and she know theres troubleand troubles name is Owen Vincent. Taming a player sounds impossible. Owen is the only player she knows and he certainly fits the bill, cocky, too many notches to count on his bedpost, and an aversion to relationships. Making Owen believe she wants him is pretty low, even if this entire fling is just a means to an end. But now she cant stop thinking about him. Yeah, he thinks hes Gods gift to women, but now a part of her is kind of starting to agree. Girls are still dripping all over him like honey. Piper thinks theres no way hed be interested in a commitment with her. Maybe Alpha Chi isnt what she wants. Maybe its Owen? Its a brand new year at Whitney Briggs and things are about to get wild.
