

Manifesting Healthy Relationships: The Secrets To Finding Love, Romance And Your Soulmate For Life

DISCOVER: How To Manifest Healthy And Loving Relationships Easily Tired of the same deadbeat relationships? Do you feel like you are trying to find love but still attract the losers? If you are feeling like being alone is just easier, you will want to consider reading this book. You deserve to have healthy, loving relationships because you are a fantastic person. Law Of Attraction + Manifesting Love = Happiness Manifesting Healthy Relationships provides a no-nonsense approach to recognizing and preventing destructive, unhealthy relationship patterns. Utilizing basic Law of Attraction principles to help you manifest relationships in your life that are fulfilling and positive, this book works by first identifying the problems, then focuses on ways to end the negative cycles and build better, positive ones. This process begins within yourself. By first focusing on recognizing and altering thoughts and feelings going on inside of you, Manifesting Healthy Relationships gets you to see and work on real solutions to your past relationship problems - not temporary band-aids. Its all about making an honest assessment about who you are, then deciding if you want to make changes or learn to accept yourself as you are right now. Along the way, all of the important terms will be defined. So, even if you're new to all of these concepts, you will not get lost or feel confused. Everything in Manifesting Healthy Relationships is presented in a straightforward, step-by-step manner. There are many misconceptions and downright lies told about what it takes to get into and maintain healthy relationships. Its often made much more complicated than it actually should be. This book seeks to restore some common sense to an important part of everyones lives! You will not find a lot of New Age language or complicated theories inside Manifesting Healthy Relationships. Just real-world advice about identifying the good and the

bad, and tips on how to understand yourself better so you naturally attract the right mates. Its about finding a balance within yourself. Its about seeking a soul mate who is truly meant for you. PURCHASE: Manifesting Healthy Relationships Inside you will discover: How to honestly evaluate who you really are How to determine if you need to change or learn to accept who you currently are How to know who you really want in a soul mate How to recognize the desires that are really yours vs. desires others are supplying How to identify the unhealthy elements of your past relationships How to determine the causes of those unhealthy relationships so you can avoid repeating those mistakes How to come up with realistic expectations for yourself and others with whom you may become close How to truly accept who you really are and give yourself credit instead of only blame and guilt This is all about attracting the people who deserve to be loved by you and no longer wasting your life on negative people who bring you down.
