

How To Write Sexy Love Scenes THAT SELL!!: A Step-By-Step Guide to Writing Raunchy Love Scenes

After being asked so many times how do I write the love scenes I've decided to set down the steps that I use that work for me, and which would work for you to. By keeping to a basic structure it helps you to develop and expand the scenes you're creating, by making sure you use all the elements needed to engage your reader and have them enthralled and emotionally connected to your characters. It's not a manual and it's not about me personally. It's all about creating heat, intrigue, and having your readers feeling the love for your characters and for your story.
