

## It Was Us (Abby & West) (Volume 3)

Life is good for Abby and West. Finally. After a brief break-up and the threat of separation, Abby Sellers and West Montgomery are together again. Abby's going to school and helping with the family business as they deal with her mother's illness and West is living his dream, playing baseball at USD. Things are going in the right direction. Until one mistake sends everything spinning out of control. The kind of mistake that changes everything in an instant. The kind of mistake that can tear people apart. The kind of mistake that guarantees their lives will be forever changed...one way or another.
