

Playing with Power - Book 4 (Volume 4)

This penultimate book will leave you panting! Lauren starts to question how well she really knows Landon DeWitt. Can she truly trust this handsome businessman, especially after the stunt he pulled with Sahra? How can she be sure he'll always work in her best interests? During a whirlwind weekend trip to San Francisco, Lauren and Landon take the time to really get to know each other. After a stressful meeting with the advisers, she begins to question why anyone would want to invest in her company. Once the MyBFC prototype comes in, it's full steam ahead. Now, she just has to worry about extracting herself from StyleSpur without drawing the wrath of Parker. Can Lauren keep fighting now that she's so close to realizing her dream? Who will be there for her once the dust settles?
