

Ride With Me (A Quaking Heart Novel Book 1)

He is her dream come to life. She is invisible to him ... Jessica Harper is a sweet and innocent woman, held back from a life of her own. Clint Wilkins is a cut above the rest, but hes broken, and emotionally unavailable. When Clints vow to never marry and his attraction to Jessie square off, will he take her innocence ... or her heart, and change both their lives forever. Jessica Harper only daydreams of escaping her demanding family. So when her Uncle Roy begs her to come to his large cattle ranch in Montana to help Mabel, his cantankerous cook, she jumps at the chance. Once Jessica arrives, the cook isnt her only problem. Right out of the chute she meets the compelling, handsome ranch foreman. Though she recognizes him as her life-long dream, she must face the fact that they are not a matched set. Hes much too ... everything, for her. Yet, Jessica cant seem to keep her mind or her eyes off him. Her desire runs rampant, her faith is tested, her courage fails her, and thats all before an unforeseen disaster strikes. Clint Wilkins, the rugged, stand alone foremanand Gallatin Countys most sought-after bachelorhas successfully fought off marriage for years. But, before he knows it, Jessicas sweet nature and strong character burrow under his skin, blazing a path straight for his philandering heart. When he finds himself poleaxed by the wholesome Jessie, he must re-evaluate his calloused lifestyle. But, as he tries to change, he is reminded how damaged and used up he is, and how pure she remains. Yet, he cant seem to resist her powerful tug on his reins. Will they trust the path God has set for them, or turn away from each other for good?
