

Just Once More (Escape to New Zealand Book 7)

What does true love look like once the honeymoons over? Eight smoking-hot rugby players. Eight partners. Seventeen kids. Beaches and barbecues and beer, salt and sand and sea. Family and good mates and no worries. December in New Zealand.

One very pregnant, very tired Hannah Montgomery Callahan playing hostess to it all, doing her best and wondering if her best is good enough. And one legendary All Black captain willing to do whatever it takes to show her that when he promised to be there for her forever, he meant it.

NOTE: This REUNION (my only NON-standalone) book, like New Zealand aw, heck. Three steamy scenes, as usual. And theyre good ones.
