

Only Love: BWWM Interracial Romance

~ Aubrey ~ Hes not what I expected. Hes just so much more than I imagined hed be. Cops around here arent exactly honorable, and yet, I found myself trusting the one in my own backyard, quite literally the floor above me. Still, my instincts have been wrong before. My heart tells me to let him in completely, to love him completely. But I learned to stop following my heart a long time ago. ~ Adam ~ Shes locked up tight and wont let go. A single mother, shes bound by the struggles she hides from the world around her. These trials do nothing but burden her, test her in the worst possible way. But I have struggles of my own, secrets, and with their depth, they dont just test me. They consume me and have the capability of breaking me completely, of breaking us completely. ~ Aubrey & Adam ~ Only love will help us. Only love will save us.
