

## A Kiss of Color: A BWWM Interracial Romance (Book 3)

A Steamy BWWM Interracial Romance  
This is the Final Chapter of this 3 Book Series. Helena has never known a happier time in her life. Though she might never have imagined anticipating the birth of her child, she finds herself buried in baby names and nursery plans, finally at peace with the prospect of her own family. When she and Xavier are blind-sided by issues with the company, she must suddenly contend with the idea of being the breadwinner, and supporting Xavier just as adeptly as he has supported her. Xavier has never imagined that everything he built would be taken away from him least of all by someone he's come to depend on. In the wake of a scandal that threatens his success, he must reevaluate the most important things in his life. Ideas of family, success, loyalty, and betrayal are explored, and Xavier comes to terms with his future, and discovers, once and for all, that love is beautifully blind.
