

Ventre a Terre: A Sweet Regency Short Story (The Unfortunate Lord Philip, Volume One Book 1)

In the first volume of the Lord Philip short stories, we find the hapless young gentleman in the throes of a passion for the lovely Miss Rosamund Hilliard. Unfortunately, Miss Hilliard has her own problems, up to and including staying one step from the law when her schemes go awry. When Lord Philip decides to become her champion, she flees both her suitors in an effort to safeguard her reputation and stay out of Newgate Prison. *Ventre a Terre* is a short, sweet Regency romp in the classic style of Georgette Heyer and M.C. Beaton. It is approximately 16,000 words, or forty-one pages.
