

## Ground & Pound

Kane Travis is one of the most successful fighters in the UFC. His name is known worldwide. Men want to be him, and women just want him. All Kane wants is the heavyweight title. Nothing else matters to him, not until he sees Emmy twirling around a pole. Kane has one rule: never give anyone else control. He doesn't let anyone in, especially women. The night he meets Emmy, he knows she is more dangerous than any opponent he has ever fought. Emmy Sanders will do anything to care for her younger brother, even taking her clothes off at a seedy strip club. Ever since their parents' deaths, she has been the sole provider for them both. All Emmy wants is to get her brother through college. Nothing else matters to her, until she sees Kane sitting at the end of the stage. Emmy has to have control over every aspect of her life. There is a time and place for everything, and she never wavers from her plan. The night she meets Kane, she knows he is more dangerous than anyone she has ever met.
