

Bride Enchanted

Though Eve Faraday was beautiful and intelligent, she never expected to be wooed by the devastatingly handsome and utterly charming Aubrey Ashford, the most eligible bachelor in all of London. Skeptical of the sudden attention, she tries hard to avoid temptation, but the alluring Aubrey and his kisses prove impossible to resist! She accepts his offer of marriage and moves with him to his ancestral home at Fair Isle. But after such a whirlwind courtship and lightning-quick marriage, Eve begins to wonder if she really knows Aubrey at all. There is something mysterious, something magical and primeval about her new husband ... Aubrey is not who he appears to be that much is certain. But his feelings for Eve are true. And only when he reveals his astonishing secret will Eve realize that she and Aubrey might have a chance at a love that will last forever ...
