

Undisputed Truth

Undisputed Truth is raw, powerful and disturbingly head-spinning take on Mr. Tysons life. (Wall Street Journal)Philosopher, Broadway headliner, fighter, felonMike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all timeand the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet even after hitting rock bottomthe man who once admitted being addicted to everything fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, Undisputed Truth is the singular journey of an inspiring American original.
