

## Need You Now (1001 Dark Nights)

Life is hard. Life leaves you beaten, broken alone. Then one day, a stranger touches your hand and you feel something intense, unforgettable, but yet, you want to forget. You need to forget. Its safer than believing in things youve decided dont exist. You know all about shattered promises and lost hope. You know them so much better than you know this excited, warm, wonderful feeling, and it scares you. He scares you, but he also makes you feel alive again. He makes you realize you havent really been living. Youre surviving and you fear hes the one wholl make you forget how to keep doing it. But what if hes the one who changes everything?
