

## CAPTIVE COWBOY (Captured Hearts Series Book 2)

All work and no play just like his father had done leaves Brandon Barnes, the Ogre of Lone Tree, on the outside looking in when it comes to those around him. A man whose trust has been broken, leaving his heart guarded. Megan McKinney, determined to put her painful past behind her, ends up stranded in Lone Tree, Montana. Love is the last thing she's looking for, but she soon finds herself falling for the gruff, unsmiling cowboy who rescued her. Now it's her turn to rescue Brandon from himself. So she sets out to teach him that life is meant to be enjoyed, not just lived. And that sometimes true happiness is only a smile away. (If you missed Book 1 in the Captured Hearts Series, check out Kidnapped Cowboy for Dalton's story. Books can be stand-alone reads)
