

## Olives for the Stranger (Have Body, Will Guard)

Fourth in the Have Body, Will Guard series, Olives for the Stranger pits Aidan and Liam against a deadly villain and forces them to operate separately, jeopardizing the emotional and sexual bond that keeps them together. As demonstrators and police spar in the streets of Tunis, bodyguards Aidan and Liam must protect Leila, a young girl whose mother has been taken into police custody. While the threats against her and her activist parents grow, hunky ex-SEAL Liam is stuck in the Tunisian countryside while teacher and novice bodyguard Aidan travels to France on his own with Leila. Liam must deal with his emotions once separated from his partner, while Aidan struggles to protect Leila and her father from a deadly villain as Liam has taught him. Both men must examine the depths of their love for each other and satisfy themselves that more than just sexual desire keeps them together.
