He soon realizes he has friends in his new home who dont judge him for what happened before and finally begins to escape his past. When he falls hard and fast for the doctor, he even sees a future for him in Ellery. The Paramedic and the Writer Paramedic Jamie Llewellyn moves to Ellery to start a new life away from the city. Hes happy being attached to the hospital and working for his friend Liam Wolfe even if he has to keep coming up with excuses to miss the Friday meet-ups. He has peace and he can finally make a difference in a community that needs him. When he and Max rescue a John Doe from a crashed car balanced on the edge of a ravine, John opens his startling violet eyes and suddenly Jamie is falling hard.
