

## Badass - The Complete Series: A Billionaire Military Romance

Welcome to Badass, an epic love story forged through the fire of greed and corruption. From the moment we were born, we all have defining moments that change the course of our lives. For Link Duffy, it's graduation night. The spoiled playboy billionaire has it all, then the unthinkable happens. It's a huge mistake with a brutal cost—a price even his rich daddy can't pay. Discover the defining moments that transform Link Duffy into the ultimate billionaire military badass. A soldier someone wants to eliminate. For Grace Johnson, her defining moment is the day she got off work early and walked into the unthinkable. In an instant, her future is ripped from her in the most heartless way. Her hopes and dreams are destroyed as her home in East Tennessee becomes her hell, forcing this dedicated nurse and physical therapist to leave everything she's always known. Two lives. Two worlds. As different as night and day. But when fate speaks, there is no room to argue. Their destinies are set on a collision course neither could ever prepare for. Link is wounded, bitter, and seeking revenge. His entire life has changed, and he's mad as hell. Grace is hired to care for this stubborn man and steps into the tornado that is his life. But there's something about him. Something so raw and fierce. And vulnerable. And sexy as hell. And when he looks at her, she knows they're together for a reason. If they can live that long. Join Link and Grace in an epic love story that has them crossing the country and running for their lives. Destiny brought them together. Fate joined their hands. Can love be their ultimate weapon? Maybe. Maybe not. This isn't the movies, after all. It's real life. Not a f---ing fairy tale. \*\*\*Mature themes. 18+
