

Takedown (The Las Vegas Series Book 3)

Mila Greenes sister is everything to her, even if Mackenzie doesnt think so. After her parents tragic demise, shes all she has left. She needs Knox, but the guilt she secretly harbors may be the thing that keeps them apart. For Knox McArthur, fighting is life. His coach is family. His gym is home, and hell do anything to protect it. But, how can he also protect Mila from everything shes threatening to destroy? Love can ruin you. Secrets can bury you.
