

## Dangerous (Lipstick and Lead)

Annabelle McKenzie stays at home and takes care of the farm and the bookkeeping for their family bounty hunting business while her two sisters take all the risks. Except that she's grown bored and longs for adventure. The chance to show her sisters that she's just as capable of bringing a man to justice and collecting a bounty as they are. When opportunity bumps into her at the bank, she recklessly follows her prey out of town. Only she soon realizes she's chosen the wrong man to hunt. Beau Samuels has a dark secret that goes beyond the price on his head. And now there's a wanted poster with his face plastered in every small Texas sheriff's office. As if things couldn't get worse, now he has a novice in a skirt brandishing a gun and determined to collect his reward. Can he get away from the blonde spitfire with his heart intact? When Annabelle unlocks the secrets to his heart and reveals the true man behind the wanted poster, can she lay aside her scruples and allow herself to love an outlaw?
