TWO BOOKS IN ONE! - SPECIAL OFFER: ONLY \$2.99! LEARN HOW TO BOOST YOUR WRITING CAREER WITH FIVERR! (From the same author of The Indie Author's Guide To Creativity and The Entrepreneur's Guide To Fiverr Resources) I have been writing and publishing books for a living for three decades and, to this date, my publishing company has released over 60 different Kindle books in English, Spanish, German, French, Italian, Portuguese and Japanese. In great part I owe this to Fiverr. You see, thanks to Fiverr, there is always someone new in my growing staff as well as new ways to complete each step involved in the production of a new Kindle book ...for only \$5! TWO BOOKS IN ONE! The first book is the Indie Author's Guide To Fiverr Resources, designed to show you, step by step, how to produce your new Kindle book ...even without writing a single word! Well, metaphorically speaking, that is, for you will certainly need to write precise instructions for each task and supervise the three steps of professional book publishing: Pre-production, Production, and Post-Production. The second book is the Fiverr Gig Directory for Indie Authors & Kindle Book Publishers, with direct links to top ghostwriters, editors, proofreaders, keyword and niche researchers, illustrators, graphic designers, photoshop experts, book cover designers, book trailer producers, online promoters, marketing experts and basically everyone you need to write, publish and promote your new Kindle book! BOOST YOUR WRITING CAREER WITH FIVERR! SPECIAL OFFER: ONLY \$2.99!
