

Brody: The Montana McKennas (Montana Ranchers Book 2) (Volume 2)

Home...its where you go when your past, present, and future collide. When rancher James McKenna is critically injured in a riding accident, his wife calls his daughter and stepson home for a family meeting. Ironically, home is where stepson Brody Caldera wants to be. Hes taking stock of his lifepast, present, and future. Can the champion bull rider turn his life around and make up for past mistakes? Single mom Stephanie Chambers hopes to keep her daughter away from the man who deserted them years ago. But the spunky ten-year-old is enamored with the famous cowboy, and Stefs best intentions are sidetracked from day one. Shes made a life for herself and her daughter, but Brodys return challenges what Stef knows about herself and that life shes created.
