

Celebrating You: I Love You, Dad

The Celebrating You series of six titles follows up on the success of the popular Birthday and Sweetheart books that shipped fall 04. With lush photography and tender text, as well as a CD of special songs to help set the mood, each book pinpoints a special person, and can take the place of a greeting card. I Love You, Dad, is packed with warm thoughts for dads, and has enough room to jot personal memories and loving wishes, too. Celebrate the special relationship with your dad on Fathers Day or any occasion, with songs chosen with him in mind. Songs include Wind Beneath My Wings, Thank You for Being a Friend, and Daddys Hands.
