

Everyday Karma

Wouldnt it be heavenly to erase the mistakes of the past, eliminate confusion in your daily life, and feel safe about what tomorrow brings? In *Everyday Karma* I show you exactly how to do that. I demonstrate how day-to-day thoughts and actions can plant karmic seeds in your life that will either blossom like flowers or take over like weeds. This book will guide you into a deep understanding of your own karma and give you the tools to heal the past and discover a more joyful future.

CARMEN HARRA The author of *Everyday Karma* is one of the great psychics of our time, a veritable karmic counselor whose gifts have enabled her to help presidents, first ladies, Wall Street executives, royalty, and Hollywood celebrities achieve their true destinies. She predicted the collapse of the Soviet Union, John Kennedy Jr.'s death, President Clinton's impeachment, and major karmic events around the world with better than 90 percent accuracy. Now, in *Everyday Karma*, she invites you to embark upon a journey of healing and enlightenment and to start living the life that is yours alone. Through her own spiritual biography (beginning with a near-death experience when she was young), true stories from many of her clients, and her predictions of coming events, you'll be inspired to initiate your own spiritual evolution. With powerful, specially created meditations, prayers, and visualizations, she helps you resolve your specific problems, even deeply ingrained and self-destructive ways of thinking and behaving. Unique among books about spiritual growth and healing, *Everyday Karma* emphasizes the great power of the karmic energy within you that is waiting to be tapped and tells you exactly how to set it free, including how to Enter the invisible world of spirit and light Hear messages from your spirit guide Create karmic relationships Heal karmic wounds and improve your emotional and physical
