

The Unexpected Bride (Mills & Boon Love Inspired)

After the disaster of his first marriage, Haydon Bowen has no intention of marrying again. Unfortunately, his brother has some intentions of his own, and plans to see to it that Haydon finds happiness once more. So he answers a groom wanted advertisement in Haydon's name and sends Haydon to meet his new bride at the stagecoach stop! For beautiful, cultured Rainelle Devonwood, any dangers she may face in the Idaho Territories are preferable to staying with her abusive brother. So even when Rainelle learns she's a mistakenly ordered bride, she won't let Haydon drive her away. She's up to the challenge of life on the difficult, demanding frontier and the greater challenge of opening Haydon's heart again.
