

The Soldier (Men Who Thrill Book 3)

The Next Sacrifice? Sacrifices are necessary. And sometimes innocents have to suffer for the greater good. Id always told myself that. Believed it, too. Until I collided with her. Shes plain, curvy, probably easily overlooked by most. Still, I sense a strength in her, a fire, a kindred spirit that draws me. But shes asking questions, questions that I cant answer, questions that very powerful people dont want asked. And if I cant convince her to stop, she might be my next sacrifice.
