

Finding Freddie Venus (Have Body, Will Guard Book 7)

Aidan and Liams new client is former gay porn star Freddie Venus, who survived an epic slide and now lives a solitary life in a restored farmhouse outside Nice. He hires bodyguards when he begins to believe he is being stalked. Newt Camilleri is a sad, overweight fifty-year-old who writes gay unicorn porn but has no romantic life. He has fled his dead-end job and old life to start again on the Riviera. When he spots Freddie, his porn idol, in a grocery store, he kicks off the plot that will bring them together. But Freddie's past is about to come back to haunt him. Will Aidan and Liam be able to save Freddie, and help him and Newt start a new story together?
