Heather Graham on The Vampire Voss From award-winning, New York Times and USA Today bestselling author Colleen Gleason: a collection of three full-length novels of vampire romance set in 19th century London. Dark, decadent, sexy, and witty, the Dracula Trilogy is filled with suspense, passion, and romance.

Dark Rogue Even after centuries of lust, hedonism, and women, Voss, the Viscount Dewhurst, rarely finds himself bored. As a member of the Dracule, he is a rogue of the first order, a man who loves nothing more than a warm woman, excellent vintage, and even a puzzling challenge to keep his mind active. But when one of his seemingly harmless manipulations sets him on the path to seduce the beautiful Miss Angelica Woodmore, things become a little less simple—a lot more passionate and definitely more complicated. Dark Saint For decades, Dimitri, the Earl of Corvendale, has denied himself the most basic of pleasures in his attempt to free himself from the grip of his immortality. He disdains women, entertainment, and all but the most basic of sustenance in an effort to break his covenant with the devil. But when he becomes the guardian for two young women—including the beautiful, maddening, and stubborn Lady Maia Woodmore—his life is disrupted and he

forced to face the emptiness from centuries of solitude. **Dark Vixen** The vampire woman Narcise has been trained as a warrior, enslaved by her brother Cezar the most dangerous and evil of all Dracula vampiresto provide entertainment for himself and his cronies.
