

The Darcy Brothers

Theo Darcy is everything his disapproving elder brother, Fitzwilliam, is not—charming, easy-going, and full of fun. A tragic event as children severed their bond of friendship, but now they are together again. They are still at odds, though, this time over the love of Miss Elizabeth Bennet and the truth about George Wickham. Will Wickham manage to divide the brothers again? And more importantly, which Mr. Darcy will Elizabeth choose? Find out as the two brothers lock horns in this unique *Pride & Prejudice* variation collectively written by five respected authors. The *Darcy Brothers* was first conceived as an interactive group writing project and has developed into a full-length novel featuring the charismatic Theo Darcy. A sweet Regency romance for all lovers of *Pride and Prejudice*. Look for more about Theo on [Facebook](https://www.facebook.com/theophilusdarcy/) (www.facebook.com/theophilusdarcy/), [Goodreads](https://www.goodreads.com/book/show/23084952-the-darcy-brothers) (www.goodreads.com/book/show/23084952-the-darcy-brothers), and on The Darcy Brothers [website](http://www.thedarcybrothers.com) (www.thedarcybrothers.com). Praise for Abigail Reynolds If you are unfamiliar with these riveting and romantic variations, they are retellings of *Pride and Prejudice* that take our beloved hero and heroine down a slightly altered path. Abigail Reynolds, one of my favorite Austenesque authors, is a skilled-story teller, an ardent admirer of Jane Austen, and quite proficient at infusing a lot of emotion, tension, and passion into her stories! Austenesque Reviews If romantics can overlook the subversion, they should enjoy witnessing Elizabeth as an industrious and caring wife, administering to Pemberleys tenants, learning how to be an equestrian and growing to love that perplexing Darcy. Publishers Weekly Praise for Cassandra Grafton This book is a total delight for anyone who is a fan of *Pride and Prejudice*, Elizabeth Bennet and Fitzwilliam Darcy,

Regency romance and... oh, just romance in general. Ms Grafton writes beautifully and has a descriptive style that can make small things into beautiful wonders. Tess Quinn, Goodreads Through witty dialog and beautiful Regency language, this book is in the style of Jane Austen herself. I cannot recommend it highly enough. It ranks among the best of the Austenesque novels that I have read. More Agreeably Engaged Praise for Maria Grace Grace has quickly become one of my favorite authors of Austen-inspired fiction. Her love of Austens characters and the Regency era shine through in all of her novels. Diary of an Eccentric A great read for any Jane Austen fan-fiction lover. With great characters, witty writing, and a swoon-worthy romance, Maria Graces Given Good Principles series is a solid addition to your bookshelf. Austenprose Praise for Monica Fairview This novel stands very well on its own as a Regency Romance, but for the Janeites among its readers its important to know how well Monica Fairview treats the beloved characters from Pride and Prejudice. All About Romance Infused with humor Fairview has proven again why she was my top choice of Austenesque debut authors of 2009. She is well on her way to becoming a nonpareil in Austen paraliterature and I recommend The Darcy Cousins to those who dearly love a satisfying love story and a hearty laugh. Austenprose Praise for Susan Mason-Milks Susan Mason-Milks pens a Pride and Prejudice variation that explores an untraveled road in Jane Austens classic novelAs you may guess, this path to true love has a whole lot more more ruts and turns for our hero and heroine Austenesque Reviews After reading it I find myself even more enamored of Elizabeth Bennet and Fitzwilliam Darcy. I think this is a true testament to how beautifully Susan Mason-Milks crafted this what if version of Pride and Prejudice. - Valeehill
