

Finding Valor (A Magical YA Paranormal Romance: Book Three) (The Channie Series 3)

Book 3 of The Channie Series Josh awakes with no recollection of the previous six months of his life, including his relationship with Channie. Not only is it hard for him to believe that hes married and his wife was kidnapped, but accepting that he is a mage and prophecies of the Book of the Dead are almost impossible. Will he be able to save Channie from her mothers dark magic before she is sacrificed? And more importantly, will he live up to his power-name and find Valor in time to save all the clans? Not suitable for young teens.
