

Keegans Bride (Mail Order Brides of Texas) (Volume 2)

Keegan Quinn watches the passengers disembark wondering where his mail order bride is. All he sees is a woman with a husband and child. Upon approaching the young woman, he discovers she is his bride, and she has a daughter she never mentioned. As they cross the street, the little girl screams for her daddy and points to the man who accompanied them on the stage. Rancher Keegan Quinn is furious. The married woman swindled him into paying passage for her and her child. It was fool hardy to think a mail order bride would want him. He rides out of town as fast as he can, vowing never to look back. Its a loco dream to think he can have a family while constantly looking over his shoulder. Addy has no idea why Peg calls the new sheriff daddy. It cost her, Keegan, the man she hoped to make a life with. She has many secrets, but the sheriff is not one of them. She needs Keegan to keep her safe from her past in Boston. Once he learns the truth, hell send her back, but its a chance shes willing to take. Can two people who have so much love to give, realize they actually love each other?
