

Lost In Solo (A Perfect Match Series Book 2)

The prequel to *The Proposal* follows the lives of Ethan and Nadine before they met on that fateful night at the bachelorette party. Nadine Stefano doesn't care for romance. She would rather work her way up the career ladder than find herself all loved up and staring into the eyes of a man. As it is, Nadine has enough to contend with on the work front right now. Ethan Adams is a sexy, smoldering hunk of a man who is going through some tough times of his own. Getting laid off from his job is just the beginning of his problems as Ethan struggles to make the rent, pay the bills and eat. Ethan and Nadine properly meet for the first time in *The Proposal*, Book 1 of *The Perfect Match* series. In *Lost In Solo* you can discover the course of Ethan and Nadine's lives before they found each other on that fateful night.
