

## Game Misconduct (The Dartmouth Cobras)

The game has always cast a shadow over Oriana Delgados life. She should hate the game. But she doesnt. The passion and the energy of the sport is part of her. Oriana came close, but he wasnt surprised when she walked away. A girl like her needs normal. Which he cant give her. Hes too much of a team player, and not just on the ice. But then Orianas father goes too far in trying to control her, and she decides to use exposure as blackmail. Just the implication of her spending the night with the Cobras finest should get her father to back off. Turns out a team player is exactly what she needs.
