

Drop The Weight And Wait For Gods Best: A Look At Life, Love, And Relationships

This book deals with three major themes: Your personal life and purpose, Your desire for a love led relationship with another and how to wait for Gods best in your life and not allow the weight of the past to slow you down. Dropping physical weight is a common theme in todays society, but losing the pounds of the past to gain a healthy future is not. And as we live in a microwavable society, everything is expected quick without regard for how it affects your life and the relationships around you. This book describes the journey back to your purpose in life. Letting go of your past and pressing forward in your future. Thus promoting a life of purpose, promise and restoration in life, love and relationships. Its your time to drop that weight and wait for Gods best!
