

## Lily (Wildflowers Of Montana) (Volume 5)

Jack Matthews came to the Montana Territory to track down an outlaw, not claim a bride. But the first time he sees Lily Lenox about to be run down by a stage, he lifts her into his arms and carries her to safety. The problem is, once the sassy redhead is safe in his arms, he discovers he doesn't want to let her go. Lily Lenox is smart, too smart to be caught up in Jack's strong arms and intense gaze. And she might have escaped, if he hadn't kissed her. Now it's too late, for Jack's touch has burned her like a brand and he's all she can think about. For a spinster, blue-stocking such as herself, the offer of marriage from Jack is impossible to resist. In one day, Lily goes from innocent maiden to a well-loved and conquered wife. Happy and in love, Lily is content to wait as Jack leaves for a business trip, promising to return. Jack lied to his new bride. He's not a businessman, nor a gentleman. He's a Pinkerton agent going undercover in one of the most dangerous and notorious robber gangs in the Territory. Part of the plan is to plaster his image as a wanted man all over town. Shocked and unsure, Lily can't believe the man she's fallen in love with is an outlaw. She decides there's just one way to discover the truth: she has to find him. All too soon Lily is caught by the gang, and neck deep in Jack's web of danger and lies. Desperate as Jack is to protect her, he'll have to risk everything, even Lily's love, to save her now.
