

Sweet Indulgences 2: Three heartwarming short romances

This is the second volume of Sweet Indulgences. These sweet short stories are designed for the busy woman who deserves a few minutes of self-indulgence on the bus or train to work, during coffee or lunch break, while waiting to pick the kids up, sitting in the doctor or dentists waiting room, sinking into a bubble bath before bed, or ... well, I'm sure you get the picture. Volume 2 contains three stories. In Lady in Red, Anne feels as if Valentines Day is for everyone other than her until an unexpected encounter proves otherwise. In Like Father, Like Daughter, Margo plots to matchmake her widowed father on Valentines Day and discovers that he has a similar plan. Many years ago, Carol's husband proposed to her on Valentines Day but is there any hope of a romantic Valentine Anniversary? Earlier versions of many of the stories in the Sweet Indulgences series were published by The Wild Rose Press, by Freya Bower, and in the magazines Womans World, The Peoples Friend, New Love Stories, Womans Weekly, and Womans Day.
