

Chased by the Dragons: Canoa (BBW Paranormal Shapeshifter Menage Romance) (Chased by the Dragons of Ecuador Book 4)

Curvaceous Fitz is a good kid. She follows the rules. Two dragon shifters need a mate, and they show her the delights of swimming in the Pacific Ocean while it is full of tiny glowing stars at night. Fitz loves it. Of course, Fitz has a life back home. Should she choose a life with two dragon shifters, or her old one? Note: This story contains scorching menages. If you do not enjoy multiple partners, skip the book. However, if you enjoy raunchy stories, this is right up your alley. Enjoy!
