

## Satisfaction Guaranteed

Caramia Kensington makes a living setting up seduction scenes for rich playboys. Imagine her surprise when her current customer turns out to be her old high school flame, Grayson Montgomery. And the woman he plans to seduce is Cara. Cara refused to have sex with Gray when they were fifteen. She had plans and dreams for her life, and they didn't include risking an unplanned pregnancy. She made him a promise: if they were both still single at thirty, she'd have sex with him. And the next day is her thirtieth birthday. Gray plans to collect on that promise Cara made back in high school. But his plans don't end with one night. Somehow he has to convince her he has staying power, that he will still be there in the morning, and for the rest of her life. Not an easy task when Cara has been left by every man in her life so far. *Satisfaction Guaranteed* is a single novella, 14,000 words. A novella that flows smoothly and leaves you begging for more. Recommended for fans of novellas and fans of reunion romances. [maldivianbookreviewer.com](http://maldivianbookreviewer.com)
