The rich and poor don't mix! With these words, 18-year-old Madeline Conner has two weeks to leave her dear mother and her home in Seattle. After reading a very unusual request for a mail order bride, she travels to Conrad, Montana to meet her cowboy groom, whose letter said, I love surprises more than just about anything else... According to Seth Lawson, he has a balanced life - working hard all week & playing hard all weekend. Whiskey and him are slowly becoming best friends. But his older brother, Samuel, has had enough of Seth heading down the wrong path - so young Seth is about to get the surprise of his life. ~A romantic story about finding a place, and a person to call home. ~About Seasons Sons & Daughters...
