

## Dreams of Desire 1 - 5 [Boxed Set]

Like the phoenix, if I am to be reborn, first I must burn...Julian St. Cross came into my life just as I was putting it back together, and with his broken smile and smoldering eyes set my world ablaze. Beautiful, damaged and driven, he did his best to warn me away, but neither of us could resist the dark desires that pulled us together...For Julian trafficked in Dreams, an illicit technology that let strangers share their most personal fantasies. That gave him access to the minds and secrets of evil men, and allowed him to wage a terrifying vendetta. Our love could not last. He was determined to set this corrupt world on fire, and god help me, if it meant but one more night by his side, then I was willing to burn with it too...Complete collection of all 5 Dreams of Desire books. Over 600 pages and worth \$15 if purchased individually.
