

A Gentleman Never Tells: A Novella

A witty, sexy novella about a virgin widow and a rake with something to prove. Eighteen months ago, Lizzie Troutts husband died in his mistress's bed, leaving her determined to never marry again and unfortunately virginal. Eighteen years ago (give or take a few) the Honorable Oliver Berwick blackened his own soul, leaving him hardened and resolutely single. When the chance for redemption in the form of a country house party invitation comes his way, Oliver is determined to prove himself a gentleman. Until he breaks all the codes of gentlemanly behavior once again.
