The words fell into the room, suddenly silencing everything around us. She stared at me, her lower lip barely trembling. Brilliant, eclectic and passionate, she lives music, but struggles with her plans for the future. Gregory Fitzgerald is one of the most renowned cellists of his generation. A member of the Boston Symphony Orchestra and professor at the Conservatory, he is laser focused on his career to the exclusion of friends, family and especially romance. When Gregory and Savannahs paths cross in the classroom, it threatens to challenge more than their wildly differing beliefs on music.
