

Keeping Paige (Divinity Warriors Book 3)

Divinity Warriors 3: Keeping Paige Series One of the Divinity Universe Alternate Reality Romance / Parallel Universe An outcast because of her psychic abilities, Paige doesn't expect her people to rescue her when a zealous sect of Faerians sacrifices her to their gods. Thrown through a fairy ring to a new dimensional plane, drugged on ambrosia, she is compelled to seduce the first man she meets. Only when the effects wear off and she's left with an insatiable husband expecting more than she's willing to give, does Paige discover the true extent of what the fairies have done. Ordered by the king to marry, Sir Aidan of Fallenrock is dead set against taking a bartered bride. He believes his people should be patient and wait for the gods to bless them. When the beautiful Lady Paige comes through the sacred rings, kissing and touching him like she knows their joined fate, Aidan's sure he's being rewarded--until his new bride tries to back out of their marriage.
