

Jamie: A Highlander Romance (The Ghosts of Culloden Moor Book 3)

To avoid spoilers, first read *THE GATHERING*, the introduction to the series. Sometimes, true love is given a second chance... Jamie, one of the ghosts of Culloden Moor, is thrilled when his new quest takes him back to his Highland home. The place still has a bit of its old glory--but to his surprise, he's not the only ghost on the property! His brother's sweetheart, and the woman Jamie has secretly loved for centuries, is haunting the family tower. Elspeth is determined to wait for the love of her life, no matter what Jamie's ghost has to say about it. After all, he's only interested in helping the American film crew. He has already broken her heart once--she won't let him steal her eternal happiness as well. Jamie will have to face up to his brother's sins or he'll lose his boon. But his most difficult task requires accepting some sins of his own. And if he fails, the lovely Elspeth will suffer...for eternity. PAYTON is next.
