

An Omega for Two Bears (Bear Mountain Book 3)

Asher McCreary not only has a terrible family name, but hes an omega as well. After years of abuse by his wild family, hes finally broken into too many pieces by a would-be pair of murderers. As he lays in his hospital bed, he finds champions in Graham and Airan, the Bear Mountain sheriff and doctor, both adamant theyll protect him from the ones who fractured him. Graham found the omega bear battered and left for dead in the woods of Bear Mountain. Unable to ignore the mating scent, hes shocked to learn he and Airan are bound to another bear, not the human theyd expected. Overcoming their odd match will be the least of their worries when Ashers attacker comes after the trio full force, ready to destroy as many bears that get in his way to the head of the council table.
