

My Musical Cowboy (BWWM Western Romance Book 1)

A short but sexy BWWM cowboy romance, permanently 99c. Cody is a cowboy turned musician, and now has a shot at musical success. His record label thinks the image of a lone cowboy is just what the fans want right now, and they're convinced he'll do well if he keeps this image up. There's just one problem: Cody has a wife who has very much in love with!

Will this passionate interracial couple be able to keep up the act that's needed to make Cody's music career take off? Or will their love for each other be too much to keep behind closed doors? Find out in this one-off BWWM cowboy romance by Shauna Hudson. A short story (10,000 words) with a price point to match (99c). Warning: Contains scenes of a sexual nature. Suitable for over 18s only due to a hot love-making scene with this interracial couple.
