

The Success Principles for Teens: How to Get From Where You Are to Where You Want to Be

WITH COURAGE AND HEART, YOU CAN BE SUCCESSFUL! Everyone wants to be successful?and surely you are no exception. After the massive success of Jack Canfields The Success Principles, thousands of requests came rushing in to develop the most important success strategies for todays teenagers. Your calls have been answered. Jack Canfield, cocreator of the famed Chicken Soup for the Soul series, has teamed up with successful author and young entrepreneur Kent Healy to design a fun and engaging book that offers the timeless information and inspiration to help you get to where you want to be. The Success Principles for Teens is your road map whether your goal is to become a better student or athlete, start a business, make millions of dollars, or simply find guidance and direction. The principles in this book always work, if you work the principles. This is not merely a collection of good ideas. This book includes 23 of the most important success strategies used by thousands of exceptional young people throughout history. With the right tools, anyone can be successful. This book will give you the courage and the heart to get started and get ahead.
