

In the Blink of an Eye (Juxtapose City 2) (Volume 2)

Lieutenant Black, the young, driven leader of the Special Forces team JC2, has reluctantly brought the sexy and distracting empath, Calyx Starr, onto his team. To Black's dismay, he finds himself fending off not only Starr's relentless flirtations but also his growing curiosity about Black's past. While Black tries to keep things professional between them and protect his secrets, he and Starr go undercover to infiltrate a pornography ring that caters to deviant psychopaths. It's an assignment that risks everything Black is fighting for. Contains strong scenes of dubious consent and noncon.
