

Trail of Hearts (1Night Stand Book 40)

The promise of an exciting date with the blonde, blue-eyed woman of her dreams has lured Charlotte to sign up with Madame Evangelines 1Night Stand at the urging of her friend Juliaa 1Night Stand success story. Expecting a night at a luxurious Castillo resort, Charlotte is aghast when her limo turns in at the Castillo Wagon Wheela dude ranch! This is one city woman who is not interested in dusty bunkhouses full of cowboys. Birdie has landed a job at the Wagon Wheel because its the only place she, a cowhand who happens to be a girl, could find work in these hard times. In a moment of loneliness, she fills out the application online for 1Night Stand. The woman who arrives, gorgeous mocha-skinned beauty though she may be, looks too sophisticated to enjoy an evening like Birdie has planned. But its too late to change, theres no going back and she only hopes the sweeping Sierra meadows will help her seduce the woman who catches her heart at first glance.
